

In the Supreme Court of the State of Alaska

Jennifer Ludwigsen,
Appellant,

v.

Geoffrey Gillen,
Appellee.

Supreme Court No. S-17698

Order Returning Appellee's Brief

Date of Order: **12/29/2020**

Trial Court Case No. **1WR-15-00001CI, 1WR-17-00036CI**

Appellee's brief and excerpt of record, filed on **12/28/2020**, are returned for correction, based on the following reasons specified by the law clerk who reviewed the brief and excerpt for technical compliance with Appellate Rules 210 and 212:

Excerpt: The Appellee's excerpt is rejected, as it appears that all documents contained therein are already included in Appellant's Excerpt. See App. Rule 210(2)(B).

Appellee should not file another excerpt unless he cites to a document that is not contained in Appellant's Excerpt, but which is part of the record. If Appellee does file an excerpt, please ensure numbering starts with the next document number (Exc. 849), which number should be placed on the first document, not the cover page of the excerpt. See 210(2)(B)(4). The cover page of the excerpt is to be similar to the cover page of the brief. See Clerk's Instructions for Preparation of Excerpts, which will be emailed separately to Appellee for his reference.

Brief: Please correct all record citations in the brief to use Appellant's Excerpt page numbers. Please correct the case number on the cover page and leave the date blank under the "Filed in the Alaska Supreme Court". This date will be filled in by the clerk when accepted for printing.

Please correct the page numbering so that the small Roman numerals commence on the "Table of Contents" Page and end after "Authorities Principally Relied Upon". The remaining pages should be numbered sequentially. "Statement of Issues Presented for Review" should be double spaced, without any page brake after it.

The original of the corrected brief shall be filed and a PDF copy emailed to pleadings@akcourts.us, with proof of service, on or before **1/8/2020**.
